DAYDREAMER

The sun is shining like a moon

on one of those winter's day.

I've been dreaming since I woke up today

a daydream that will last long into the night.

I blow the day off to take a walk outside

waiting for a surprise.

As I walk, my eyes,  
heart and mind open.

absentminded illusions come across

and put a spell on my walking thoughts.

Even if time ain't on my side

I want to believe what I see

for imagination has made a promise.

As I walk back to reality

my dream has set me free.
